

Central Counties Region Presents

The Not Quite a Regional Meet

Central Counties Region invites you to a weekend of fun at Newark Showground. *June 10th – 12th 2011*

We are offering you an opportunity to visit the site of the 2011 NFOL, meet the organising team and learn what we are planning.

The 'not quite a' Regional Meet will be a weekend of camping with friends old and new, with evenings of entertainment to enjoy and the usual inter-D. A. Volleyball competition. The winners of which will be put forward to the national volleyball meet in July. Six pitches at the National Volleyball Meet will be paid for by Central Counties Region for the winning team on condition they take part.

The Mardi Gras, Horace Ringrose Competition and Opening and Closing Ceremonies will be missing, but we will run workshops for Stewards and other Volunteers and try to show how we are preparing to make you proud that your Region is putting on a "Best of British" NFOL for the rest of the Camping and Caravanning Club to remember.

The Officers of the NFOL committee will explain their roles and recruit interested individuals to join their rotas over the August Bank Holiday Weekend. Please come along and meet the team, you might enjoy supporting us in this special venture, if not you could just enjoy a pleasant relaxing weekend in the heart of the English countryside. This will be a booked meet, so please complete the booking form and send it to Mr D Ginns at the address below.
